Subject: FW: Flock LPR system

Good morning Dan,

We had a meeting with the High Tech Crimes Unit last week when you were gone and they brought up some issues with a few Flock cameras and some associated costs. Does the below information sound familiar as it pertains to our warranty/service agreement. I know we already moved two of them and are waiting to see what the cost will be.

Jack

Subject: Flock LPR system

Commander,
Steve Best has been following up with Flock Safety Systems since our meeting this morning and this is the list of costs associated with system repair and replacement:

Professional Services Schedule:

- Camera relocation, existing pole non-AC powered | **$350**
- Camera relocation, Flock pole and/or AC powered | **$750**
- Camera replacement as a result of vandalism, theft, or damage | **$500**
- Pole replacement as a result of vandalism, theft, or damage | **$500**
- Trip charge | **$350**

Examples:

Angle adjustment (elective)

Install additional Flock signage
